TEMPORARY SUSPENSION OF OPERABLE UNIT (OU) 4 ECOLOGICAL EVALUATION (EE) -
BLB-241-93

This letter is to confirm discussions between the Environmental Protection Agency, the Colorado Department of Health, Department of Energy, and EG&G concerning EEs in the Industrial Area (IA) and the Protected Area (PA).

It is EG&G's understanding that an EE should be done to cover the entire I/A/P. Also further discussions will be held between all parties to determine the scope and schedule of the I/A/P EEs.

Based on the above, the EE for OU-4 schedule to begin today, May 17, 1993, will be suspended. When the scope and schedule of the IA/PA EE is resolved, a letter or technical memorandum must be prepared to document the changes to OU-4 and other IA/PA OUs' schedules and scopes.
